Career Transition Programs

We Assist You With the Hard Business Decisions

Often the survival of a business depends on making smart choices and hard decisions which may include downsizing and elimination of parts of your workforce. Maricopa Workforce Connections has a proven history of providing quality career transition programs to hundreds of local businesses and thousands of employees. Our employers not only enjoy the luxury of customized services but thousands of dollars in business savings by utilizing MWC's cutting edge transition programs.

Our professionals deliver customized solutions so that the message of job loss is accomplished with dignity and respect resulting in a smoother transition. These programs and services are designed to be effective and efficient for all levels of staff including supervisors, managers and senior executives. With years of successful experience in a variety of business environments, we will assist you in obtaining the best possible results by informing, educating, preparing, and motivating your workforce. Through our innovative practices and expertise, we are able to effectively prepare your employees for the challenges ahead and direct a positive new career search. In addition, we can assist your management team in developing specific plans to ensure remaining staff retain confidence about their positions and the direction of your organization resulting in sustained productivity.

Services include, but are not limited to:

Career Search ■ Marketing Talents ■ Career Coaching ■ Skill Analysis & Assessment
Interviewing Techniques ■ Resume Design ■ Packaging Strategies ■ Job Placement

Maricopa Workforce Connections provides all these programs and services at no charge to the employer or their employees. Provide your workforce with a quality transition program and give them access to the tools and resources that will help insure their success in finding new career opportunities.

More than 20 years of helping area businesses succeed.
