### Bringing Solutions to the Table

Arizona Workforce Connection in Maricopa County, Maricopa Workforce Connections, is the streamlined system for workforce development services to businesses. This system organizes employment and training services into one source.

### A Prescription for Savings

A short-term on-the-job training program, that helps pay a candidate's wages while you train them for a specific job, may be exactly what is needed to help grow your business with the qualified talent needed for long-term employment.

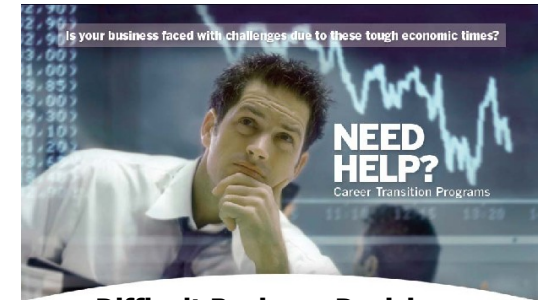

### Keeping the Wheels Turning

Increase the skills of your current workforce to meet the demands of your industry. MWC's Employed Worker Training Program may reimburse employers up to half of eligible costs for delivering customized classroom training to individuals for in-demand jobs and occupations.

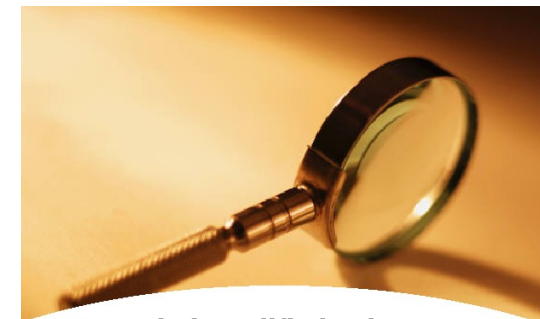

### Financial Incentives

Learn if you may benefit from the Arizona Department of Commerce *Enterprise Zone* program or other financial incentives offered in Maricopa County.

### Difficult Business Decisions

Often the survival of a business depends on making smart choices and hard decisions which may include downsizing and eliminating parts of your workforce. Maricopa Workforce Connections has a proven history of providing quality career transition programs to hundreds of local businesses and thousands of employees. Our employers not only enjoy the luxury of customized services, but thousands of dollars in business savings by using MWC's cutting edge transition programs.

### Find Qualified Talent

Your business should be taking advantage of the strategic expertise and community network MWC can connect you with.
